

**CHILDREN AND YOUTH REPORT
FIRST DISTRICT
MAY 7, 2023**

Posts from across the District have been busy with many activities for the youth in their communities. Please remember to submit your Post for the Dept. Children and Youth Ambassador Award to Portage by June 1st so that you can be recognized at the Dept. Convention in July. You will receive both an award from the Department and National Headquarters. You will find the award form at www.wilegion.org/awards.

Please remember, your Post must have your CPR into Portage by June 1st to be considered for the Ambassador Award.

Because of generous donations from within the District, Badger Youth Camp is able to continue to provide camp in July for military kids at a much reduced cost. Please consider donating so that they may be able to do so in the future.

Contact JD Engelhardt, WI National Guard Children and Youth Director at 608-301-8246.

The Dept. of WI Children and Youth Committee is excited to continue to support Be The One 4 Our Youth, National Night Out, Badger Youth Camp and Commander Julie's Pop Top Toss initiative to support both the Fisher and Ronald McDonald Houses.

Respectfully submitted,

Lisa Fauster
Fist District Children and Youth Chair
