### Waukesha County Report

The most striking impact on Waukesha County is the loss of Chaplain Cliff Stanisch and Second Vice Commander Rollie Crandall. Our new chaplain is Tom Brady from Post 375. Out of respect for his widow, Mary-Ellen, the new Second Vice will be announced as soon as is appropriate.

Our next meeting is May 17<sup>th</sup> at Mukwonago Post 375. Eight of our 15 Posts have reached or exceeded their 100% membership goals. Programs with significant participation within the County are Badger Boys State, Youth Scholarships, Honor Guard, Scouting, Buddy Checks, Legion Baseball, and Blood Drives. Memorial Day event planning is underway. Additionally, specific events can be found in our newsletters. Contact me if you would like to be added to our monthly newsletter email list. Lastly, I will be asking for volunteers to be on a committee to update our Bylaws.

Respectfully submitted,

Michelle Adams

Waukesha County Commander
